Hospital Visit

On October 8, 2022, Blood Line Blood Bank in Thane was visited by ADMLT students as well as DMLT Staff Mrs. Jyoti Babar and Reshmi Das as part of a co-curricular activity. Thane is home to the Blood Line Blood Bank, which is well-equipped with all the cutting-edge equipment needed for blood collection. Our students were given a tour of the entire lab by Dr Patil and his colleague, who also described the protocol for blood collection, storage, and transportation. Numerous hospitals in the Thane district received blood from this blood bank, and many volunteers donated blood for the patients. Additionally, ADMLT students watched the several tests that were conducted before the recipient was given blood. There were ten different advanced machines offered in total.
