DMLT DEPARTMENT

Event: Know your blood group and Spot presentation Utkarsha 2022-23

Know your blood group and Spot presentation was organized on 2nd February 2023 by the Department of DMLT as a part of college annual science fest UTKARSHA. The event was organized in collaboration with the department of Microbiology. Free Blood group camp was organized by our DMLT department and students and teachers from different departments of our college visited this camp. A total of 118 blood samples were tested by our students for blood group and hemoglobin test. Students also made different posters based hemoglobin and different blood groups and explained to different students of our college. Spot presentation was the second event organized by the department of DMLT. In this event students were supposed to talk on a small topic which was given on spot. A total of 8 participants participated in this event. Event was inaugurated by Our Retired HOD Microbiology department Dr. Seema Ronghe and She was also invited to judge this event. This event concluded at 3.30 pm followed by Validectory function. Prize were distributed to the Winners of Spot presentation. This event was concluded with formal vote of Thanks by Mrs. Jyoti Babar.
