

## Notice

Department of Biochemistry, SIES College of Arts, Science and Commerce (Autonomous) affiliated to University of Mumbai in collaboration with ENAC (Expert Nutraceutical Advocacy Council) offers a PG Diploma in Food Technology and Nutraceuticals.

### **Duration of the Course:**

One year plus three months implant training

### **Rationale:**

Nutraceutical, which includes functional food and dietary supplement, is the industry which amalgamates pharma and food industry. The popularity and growth of this industry is attributed to consumers' increased inclination towards health and nutrition. Today, functional foods are in great demand for their potentials to provide physiological benefits in chronic lifestyle diseases and Nutraceuticals are perceived as alternatives to prescription drugs. In this scenario, as the market for food and nutraceutical grows, the demand for skilled and trained graduates and postgraduates increases. This Post Graduate diploma in Food technology and Nutraceuticals is tailored to be a job-oriented program.

### **Objectives of the Course:**

This course intends to train students to become skilled professionals for the growing Food and Nutraceutical industry. The course involves product development projects to motivate the students to develop novel, innovative and improved food and nutraceutical products.

The course shall familiarize the students with the rules and regulations related to safety, quality and label claims of the products. This program, which will be conducted in collaboration with Expert Nutraceutical Advocacy Council (ENAC), aims to provide a platform to collaborate actively with industry for mutual benefits.

The course envisions developing entrepreneurial spirit among students for inspiring them to set up their own facilities

### Highlights of the Course:

- Guest lectures by industry experts from renowned MNCs and Regulatory bodies
  - Industry visits
  - Industry training/Internship/Placements
- 
- Admission forms available from 15<sup>th</sup> May 2019-8<sup>th</sup> June 2019 in the SIES College office from 10:30am-12:00 noon.
  - Submission of admission forms from 15<sup>th</sup> May 2019-10<sup>th</sup> June 2019 in the SIES College office from 10:30am-12:00 noon.
  - Documents to be submitted along with the form:
    1. For Graduates:  
HSC, FY, SY and TY mark sheets
