

SIES COLLEGE OF ARTS, SCIENCE & COMMERCE (AUTONOMOUS), Sion (W)

DEPARTMENT OF BIOTECHNOLOGY

Title: How to write good research proposal and present paper

Day & Date: Thursday, 25th March 2021

Time: 3:00 - 5:00 pm

Objective of the webinar:

1. Writing process for research proposal & research paper
2. Use of statistics in research
3. How to present effectively

Resource person: Dr. Anita Joshi, Independent consultant, Biotechnology Business

Participants: 88 Undergraduate and postgraduate students

Platform/Methodology:

The program was conducted using online platform MS Teams. It was followed by question-answers session between the resource person and participants.

Outcome:

The feedback of participants stated that they strongly found the session to be helpful and agreed that the content was relevant to the current scenario.

The program helped them to understand:

1. Importance of statistics in research
2. Budgeting for research
3. Reading and writing research paper/proposal
4. Presenting research effectively
