National Webinar on Transnational Surrogacy Market in India

Day: Tuesday

Date: 28th September, 2021

Timing: 12.00 pm to 1.30 pm

Platform: MS TEAMS

The Department of Commerce organised a National Webinar on a multi-disciplinary topic 'Transnational Surrogacy Market in India' to bring light and understanding about surrogacy in India and its consequences. The key speaker was Dr. Sheela Suryanarayanan, working as an Associate Professor at the Centre of Women's Studies, University of Hyderabad, holding extensive research experience in maternal and child health, selective abortion, reproductive technologies and surrogacy. The webinar started with a welcome note by the organising team and the Principal followed by the talk delivered by the speaker. The speaker presented her researched content and discussed her live experience and stressed on the consequences of surrogacy in the mental, emotional and physical health of innocent mothers. Special focus was made on areas like biomarketing, India as a surrogacy hub, impact of surrogacy on mother and child, medical tourism, etc. The talk raised concern among the audience, which was expressed through a question answer round. The webinar concluded with the vote of thanks by the organising team. The webinar witnessed a total of 105 participants across the country including teaching staff, students, research scholars, other service personnel and the organising team. Feedback was taken from the participants and e-certificate was mailed
