Sion (West), Mumbai – 400022

Guest lecture

Title: Research Design and Implementation

Objective: To create awareness among post graduate students regarding research methodology.

Resource Person: Mr. Anees Ahmed, research scholar, Vellore Institute of Technology (VIT).

Date, Time & Venue: 05/08/2023, 3.00 pm – 4.00 pm, Department of Microbiology, S.I.E.S College of Arts, Science & Commerce (Autonomous).

Report: The Department of Microbiology held a talk on “Research Design and Implementation” for Post graduate students. The students were given an insight into the journey of research. The speaker spoke about research idea, selection of a research topic, literature survey, execution of research work, and analysis of results, interpretation of data, conclusion and future prospects of the study. The students found the session very informative and will apply it in their research projects.

Number of Attendees:19

Outcome: Students exposure to research in the field of Microbiology
