

SIES College Past Students' Association: Activity Report 2025-2026

The SIES College Past Students' Association (PSA) experienced a dynamic and productive academic year, marked by its dedication to intellectual development, well-being, and innovation through numerous events and collaborations.

1. Collaborated jointly with the Philosophy association, NSS, and NCC Units to organize an International Yoga Day, promoting health and wellness within the college community and highlighting the importance of yoga in life on 21st June 2025.
2. In association with Tattvam Philosophy Association, PSA organized "Flip the Script", a debate competition conducted on 12th August 2025.
3. Collaborated with the Department of Biotechnology for the Dr Rajalakshmi Amudan Lecture Series on 20th December 2025. The series featured two insightful sessions: "Applying Science to Sales: A Number Game" by Mr Amit Bhat, Business Development Manager, Molecular Devices and "From Positive Control to Pollution Control & Everything in Between" by Mr Swapnil Dudhwadkar, Senior Scientific Assistant, Central Pollution Control Board, Regional Directorate, Vadodara.
4. For celebration of research, ideas and innovation, PSA collaborated with Institution's Innovation Council (IIC) - SIES ASCS, Jigyasa (Research Hub) & Nirmitee Kendra (E-Cell & Skill Hub) for Research - Innovation Week "From Jigyasa and Nirmitee" for 15th September 2025 to 20th September 2025. The event featured eminent speakers: Mr. Gaurang Shetty, Chief Innovation Catalyst, Research Innovation Incubation Design Labs, Ms. Hetal Mundra, Community Architect, Research Innovation Incubation Design Labs, Dr. Hemanidhi Gupta, CSR Training Coordinator, Research Innovation Incubation Design Labs; and Ms. Bhavna Pandya, Chief Incubation Officer, Research Innovation Incubation Design Labs.
5. PSA has also been actively acknowledging the contributions of teaching staff by felicitating them on their superannuation. During this academic year, Mr Kiran Nabar, Mr Roy Mathew, Dr Tara Menon of Degree College, and Mr Vivekananda Bam of Junior College superannuated and were duly recognised for their valuable contributions to shaping students' educational careers.
