### Details of Resource person:

Dr. Uday Koli did his bachelor's from Ruia College followed by Master's in biotechnology from SIES college. He then obtained a PG diploma in fermentation and bioprocessing and completed his doctorate in biotechnology from Institute of chemical technology, Mumbai. His doctoral research was on "Nucleic acid Loaded Nanoplexes for Biomedical Applications". Currently he is working as a manager in drug delivery systems at Sunpharma Advanced Research Company. He also worked as a Scientific officer in Super Religare Laboratories, as an industrial intern at Cipla Biotech Pvt Ltd and as a research scientist at Nanodx Healthcare Pvt Ltd. He has received numerous awards and honours such as the shining star award at sunpharma for prototype formulation development, DBT-CTEP travel grant for research presentation at CRS 2016, Washington and travel fellowship from center for international cooperation in science, Chennai. He also has various publications in journals of national and international repute.
