Methodology:

An unusual series of webinar cum panel discussions were planned Seven sessions; every Thursday as a weekly series from July 2020 to August 2020 respectively.

1. Shri R.N. Bhaskar moderated the panel discussion and presented the current scenario on The Future of Agriculture in a webinar cum discussion format.
2. Shri R. N. Bhaskar held a lecture before every session to explain the background and issues that were relevant to each topic

The webinar-cum-panel discussion addressed issues such as 'Could agriculture provide a trigger for economic growth?' Mr. Arun Raste highlighted the milk production as the rural wealth of India as a business of masses. Mr. Shaji emphasized on animal husbandry as a risk mitigation factor for agriculture.

Outcome:

The feedback of participants reflects the following points:

The program helped them to understand and gain know-how:

1. The resource persons enlightened the participants on the state of agriculture
2. The panellists also made the participants aware of the policies, customs and politics that surrounded agriculture.
3. The webinar series was appreciated as each panellist brought an insight, experience and analysis.

7	10-12-2020	Financing India: Focus on Netherland	Dr. Vikas C., Preet D., Victor E., Bart de Jong	140	132	https://www.youtube.com/watch?v=Bt6SsF1FJ-l&t=975s	2,854

Methodology:

A series of webinar cum panel discussions were planned in eight sessions: focusing on seven countries every Thursday as a weekly series from November 2020 to December 2020 respectively.

The countries which participated in the series were (in alphabetical order) Canada, Germany, Israel, Japan, Netherlands, Qatar, and Sweden respectively. Each country was represented by their respective consul-generals or ambassadors.

1. Shri R.N. Bhaskar moderated the panel discussion and presented the current scenario on what prevents the foreign countries from investing in India in a webinar cum discussion format.
2. Shri R. N. Bhaskar held a lecture before the session to explain the dispute resolution mechanism.

The webinar-cum-panel discussion addressed issues such as worrying trade balance, lags in Human Development index, nurturing human capital, banking systems and exports favourably.

Outcome:

The feedback of participants reflects the following points:

The program helped them to understand, gain knowhow through-

1. The resource persons educated the participants on the state of investments by the aforesaid mentioned countries
2. The panellists also made the participants mindful of the policies, customs and politics that surrounded investments.
3. The webinar series was cherished as each panellist brought an understanding, experience, and analysis.

CENTRE FOR EXCELLENCE- "A Centre to meet your Professional Needs" (2020 - 2021)

**Report of INTERNATIONAL CONFERENCE / FACULTY DEVELOPMENT
PROGRAMME "TRIZ for X 2020"**

To celebrate the Diamond Jubilee Year (1960 - 2020) of SIES College of Arts, Science & Commerce (Autonomous), Centre for Excellence joined hands with **TRIZ Association of Asia as an Academic Partner** to support the International Conference "**TRIZ for X 2020**", a one-week **Research based Faculty Development Training Program** which was held between 23rd and 27th November 2020. The participants were given online LMS login to view the lecture series online for a month and submit the review and feedback of each modules as a mark of the FDP completion.

International speakers and mentors from TRIZ held this Master class. The live conference content included TRIZ Experts talking on what's the latest thinking of TRIZ with its application to innovation. The topics covered two broad themes critical to meet the Covid challenge, namely: *WHAT are the challenges which need to be addressed to enhance the value proposition of the organization? And HOW should these challenges be met with the least organizational Cost?*

14 International speakers from various organization and companies were part of the International Conference **TRIZ for X 2020**. A total of 8 faculties from SIES institution took up this FDP certification along with 130 other international conference attendees.

REPORT

Theme of the Workshop: The Art of Reasoning and Critical Thinking

Date: 16th November to 24th December 2019

Objectives:

1. Identify the core skills associated with reasoning & critical thinking.
2. Clarify the difference in cognition, reasoning and logic from a disciplinary perspective.
2. Apply Critical Thinking in practical situations.

Resource Person: Mr. Peter Akbar, Founder and Chief Instructor at Logos Inc.

Participants: 16

Methodology:

30 hours workshop included modules such as First Order and Second Order Thinking, Barriers to Critical Thinking, Decision Making, Creative Thinking and exercises designed to self-assess one's thoughts and change them with a logical approach. With every module, students were given various exercises and tests for evaluation. These tests consisted of **solving problems** at the end of the sessions or **an objective test** at the end of few modules. Along with the course the students were made to read select articles for class room discussion on "Art of Thinking Clearly".

Outcome:

The participants got to-

- Understand the significance of critical thinking in an inter-disciplinary context.
- Explain the importance of bias in critical thinking and facilitated them to express.
- Discuss relevant aspects of their life with real life situations.

Funding if any: RUSA Fund and Received Amount Rs. 10,000/-

REPORT

Theme of the Workshop: Research Management Tools

Objectives of the webinar:

1. Facilitate researchers with research process management
2. Assist with techniques to organize, chart timeline in research work
3. Analyse and publicise research output in methodical way

Resource Person:

Dr. Sachin Kumar, Cluster Innovation Centre, University of Delhi

Participants: 60

Attended by 30 faculty members, 12 research scholars and 18 PG students.

Methodology:

The webinar was conducted through MS Teams. Research Tools were listed and hands-on training given. The webinar concluded with an interactive question and answer session.

Outcome:

The feedback of participants reflected on the following points:

The participants got a better understanding of

- Various digital tools used to identify resources & sort scientific data.
- Applications of soft wares in writing thesis.
- Upskilling in writing and publishing research papers.
