OFFER LETTER

Friday, Jun 18 2021

To,

Aishwarya Vijayan,

Haygot Services Pvt. Ltd ("Company") is delighted to offer you employment on the following terms:

1 Position and Date of joining:

Your position in the Company will be of "Intern". Your date of joining shall be **28-June-2021**.

2 Reporting and Employment Location:

You will initially report to **Ritika Mittal** and your initial employment location will be **Mumbai**. The Company reserves the right to change your reporting manager or your location, based on business requirements.

3 Compensation:

You will have a monthly stipend of **INR 15,000**.

4 Employment Relationship:

You will work in the **Training** team for a **period of 3 months**.

The Company reserves its legal right to terminate you immediately in case of deviation or non-adherence to Company's policies and rules as communicated via this addendum and also in other physical or digital documents provided to you pursuant to your signing of this addendum.

The Company may also terminate you with immediate effect for any dishonest and malicious practices, involvement in criminal act (financial or non-financial) or non-performance for a prolonged period of time. Your employment with the Company will be "at will" and for no specific period of time, meaning that either you or the Company may terminate your employment at any time and for any reason, with or without cause by giving **7 days'** notice in writing.

In case of termination due to aforementioned reasons, the Company, at its sole discretion, will recover any amount, as the case may be, in lieu of Notice Period pay, incentives, reimbursements or financial loss faced by the Company against the full and final settlement upon your separation. In such a case, the Company will also not be liable to pay you any pending salary, incentives and reimbursements.

5 Laptop Policy:

As a condition of employment, you are required to utilize your own laptop and smartphone (with a working voice and data connection) for the duration of your employment with the Company. The laptop and smartphone will have to meet the specifications as laid out by the Company's IT team. You are also required to have a fast and stable internet connection for periods when you are required to work from home. (Refer the **Bring Your Own Device (BYOD)** policy to check if you are eligible for any reimbursement).

6 Reimbursement for Expenses:

You will be reimbursed for reasonable expenses incurred by you in performance of your duties, in accordance with the Company's Expense Policy.

7 Absence/Leave:

Your annual leaves will be as per the Company's Attendance and Leave Policy. Uninformed or unapproved absence from work for a continuous period of 3 days or beyond the period of approved leave, without prior approval of the reporting manager shall result in automatic termination of your employment without any further notice unless the Company waives such requirement.

8 Indemnity:

You are required to indemnify and keep indemnified the Company against any and all claims, damages, losses etc., which the Company might suffer, on account of any breach by you of any of the terms of your employment or the terms of any policy of the Company. The Company shall, in addition to any other remedies available by law, be entitled to an injunction restraining you from breaching or otherwise violating any terms of your employment.

9 Acknowledgement:

You acknowledge that the duration and scope of the undertakings above are reasonable under the circumstances in which they have been given, and your employment with the Company and the compensation payable under this letter shall be sufficient consideration for the undertakings.

10 Understanding:

This letter contains the entire understanding between the parties and supersedes all previous agreements and/or arrangements relating to engagement with the company.

11 Company policies:

You shall be bound by any and all policies and procedures of the Company, which may change from time to time. The management of the Company reserves the right to amend and update the policies and procedures of the Company.

12 Miscellaneous:

This Offer in the Company is valid subject to (a) you furnishing required documents as asked by the Company at the time of joining, and (b) The Company receiving satisfactory reference check on your background.

We hope that you find the above-mentioned terms acceptable. Kindly indicate your agreement with these terms and accept this offer, by signing and dating the duplicate original of this letter and returning them to the Company. We welcome you to our organization and look forward to your contribution to the growth of the organization and yourself.

Sincerely, on behalf of Haygot Services Private Limited,

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Nachiketa Thaker has interned with Pratham Council for Vulnerable Children (PCVC), the Child Rights wing of Pratham between 9th September 2021 to 3rd December 2021 in Mumbai, Maharashtra for 45.5hrs (21hrs on field and 24.5hrs virtually).

PCVC serves as the Child Rights and Protection wing of Pratham, established in the year 2000, with the aim of "Every Child's Rights Protected, Every Child in School and Learning Well", organization working across 24 states in India, working on access and improving education.

He interacted with children who were previously child laborers before being rescued by Pratham and was able to participate in activities and group sessions planned for these children. Nachiketa was part of child labour survey with the team as well as a survey of children who are enrolled in schools in the community. He has also worked online and created 7 UDID for children with special needs.

He was able to adapt to the different conditions and showed sensitivity and professionalism in his approach. We wish Nachiketa the best for his future endeavours.

Thanking you!

Sincerely,

Kishor Bhamre

Director Pratham Council for Vulnerable Children

DEPARTMENT OF BIOTECHNOLOGY

A. Title of the Internship:

IWSA-SIES Internship Program for undergraduates

B. Background:

Online Internship Program for college students is an initiative taken up by Indian Women Scientists Association to promote Science Education. The TYBSc Biotechnology practical curriculum has a mandatory skill-based laboratory research project which the Covid-19 pandemic had impacted. To compensate, we approached IWSA for collaboration with SIES to conduct an internship program with biotechnology students.

C. Aims/Objectives:

The main objective of the internship was to enable the students to:

1. Design simple experiments that could be executed even at home
2. Opportunity to interact with current and retired research scientists
3. Introduce them to SnapGene - molecular biology simulation technique
4. Present the internship project data in the form of e-poster
5. Organise various guest lectures
6. Develop soft-skills

D. Location:

IWSA mentors interacted with the students on an online platform (MS Teams & Google meet). Some part of the internship project was also executed in the laboratory at the Department of Biotechnology.

E. Target audience/participants with expected number:

31 undergraduate students (25 TY and 6 SY) participated in the internship programme

G. Session and names of Resource Persons:

The internship program also had guest lectures delivered by various eminent speakers:

Sr. No.	Title	Speaker & affiliation
1.	Pathways to Decarbonizing Indian Transportation: Synergies Between Technology and Behavior	Dr. K. Shankari <i>Post-Doctoral Director's Fellow, Center for Integrated Mobility Sciences, National Renewable Energy Laboratory (NREL), USA</i>
2.	Microbes in Waste-water Treatment and Bioremediation	Dr. Y.V. Nancharaiah <i>Scientific officer H, Head, Biofouling and biofilm processes section, WSCD chemistry group, BARC, Kalpakkam, India</i>
3.	Yeasts: An Industrial Perspective	Dr. Anuradha Chitnis <i>Senior Scientist 1, Advanced enzymes technologies Ltd., Mumbai, India</i>
4.	Optical Tweezers: The Force of Light in Making Revolution in Micromanipulation	Dr. Shovan Kumar Majumder <i>Senior Scientist, Raja Ramanna, Center for advanced technology, (RRCAT), Professor at Homi Bhabha National Institute (HBNI)</i>
5.	Fundamentals of GHC Accounting & Reporting	Ms. Janjri Jasani <i>Deputy Director, Centre for Environmental Research and Education (CERE), India</i>

H. Expected outcome:

The internship program is awaiting the release of booklets on:

- 'Journey into the microscope' - a booklet designed for 9th grade student to introduce them into the world of microscopy
- 'Change the climate change' - a booklet designed for illiterate and pre-school childrens to introduce them to the concept of climate change
- 'Tales of Blossom' - a DIY for entrepreneurs, housewives and students

The feedback of participants stated that they received hands-on experience which they lacked due to the pandemic. Many skills were learnt during the course of this internship such as multitasking, communicating, presenting the data effectively, learning to deal with diversity of opinions, and dealing with deadlines.

He worked as a Visiting Scientist at Vanderbilt University, USA where he did his post doctoral work. Dr. Majumder's research interest primarily is in the area of bio-photonics i.e. development and evaluation of photonics based techniques for solving the problems of biology and medicine. His extensive research not only led to the development of a variety of new techniques required for advancing the applications of optical spectroscopy for biomedical diagnosis, but also made it possible to perform non-invasive screening of oral neoplasia and automated diagnosis of tuberculosis in resource-limited clinical settings using photonics-based point-of-care instruments developed in his group. Dr. Majumder has over 100 papers in peer reviewed journals and edited volumes and more than 150 papers in conferences and symposia. He has delivered innumerable invited talks both home and abroad. Dr. Majumder is the recipient of several awards which include "*Homi Bhabha Science and Technology Award*" of the Department of Atomic Energy, "*Raman Bhagat Memorial Award of Excellence*" of Cancer Care India, "*Swargiya Dadasaheb Kalmesh Smruti Award*" of Indian Dental Association, two "*Group Achievement Awards*" of Department of Atomic Energy, "*Young Physicist Award*" of the Indian Physical Society, "*IPG Eminent Scientist Award*" of the IPG Innovative Pharmacist Group, "*The Excellence Award*" of the Rotary Club among others.
- **Ms. Janjri Jasani** graduated from the University of Edinburgh with an MSc. in Environmental Protection and Management and is currently working with the Centre for Environmental Research and Education (CERE) as the organisation's Deputy Director. Her interests centre on Climate Change science, sustainable development & urban solutions to environmental issues and she developed CERE's Carbon Map & Cap TM program to help companies facilitate a green transition and develop a climate mitigation strategy. She is also interested in the role environmental education and systems thinking can play in facilitating solutions to local and global environmental issues. Since leaving school she has been a collegiate level fencer, programmed her own radio show – Lotus Beat, and has co-authored several books related to environmental education. Janjri has also attended DISHA, a UK-India

program on leadership and is in the LEAD India fellowship program. Apart from being an active environmentalist, she also loves to teach and has been a regular guest lecturer at St. Xavier's college in Mumbai and a part of the Youth Leading Environmental Change (YLEC) program. In her free time, she loves to read, hang out with her pet Beagle – Lenny and watch educational YouTube videos on science, physics and astronomy. She is also an avid traveller and adventurer and has been certified as a PADI open water diver.

WEEK 2
Carbon footprint calculation

ONLINE CALCULATORS
<http://www.epa.gov/energy/carbon-footprint-calculator>

MANUAL CALCULATIONS
We manually calculated our personal carbon footprints by adding carbon contents of daily activities.

CALCULATION

For electricity consumption:
 $CO_2 = 821g \text{ of } CO_2 \text{ per kWh of electricity}$
 Electricity consumption = 118 units
 Therefore, carbon footprint of electricity consumption =
 $Units \text{ of electricity consumed} \times CO_2$
 $= 118 \times 821$
 $= 96898 \text{ g of } CO_2 \text{ per month}$
 $= 11787.76 \text{ kg of } CO_2 \text{ per year}$
 $= 11.78 \text{ tonnes}$
 Approx. It takes 10000 trees to offset 1 tonne CO_2 .
