Methodology:

A series of webinar cum panel discussions were planned in eight sessions: focusing on seven countries every Thursday as a weekly series from November 2020 to December 2020 respectively.

The countries which participated in the series were (in alphabetical order) Canada, Germany, Israel, Japan, Netherlands, Qatar, and Sweden respectively. Each country was represented by their respective consul-generals or ambassadors.

1. Shri R.N. Bhaskar moderated the panel discussion and presented the current scenario on what prevents the foreign countries from investing in India in a webinar cum discussion format.
2. Shri R. N. Bhaskar held a lecture before the session to explain the dispute resolution mechanism.

The webinar-cum-panel discussion addressed issues such as worrying trade balance, lags in Human Development index, nurturing human capital, banking systems and exports favourably.

Outcome:

The feedback of participants reflects the following points:

The program helped them to understand, gain knowhow through-

1. The resource persons educated the participants on the state of investments by the aforesaid mentioned countries
2. The panellists also made the participants mindful of the policies, customs and politics that surrounded investments.
3. The webinar series was cherished as each panellist brought an understanding, experience, and analysis.

FACE MASK MAKING AND DISTRIBUTION

Date: 19th April, 2020

Learning Platform: Diksha Application

Application Place: Sion, Mumbai

The NSS Volunteers of SIES College of Arts, Science and Commerce (Autonomous) were virtually trained to make hand-made cloth masks through the Diksha Application. It was to make the volunteers self-dependent in ensuring their safety as well to help overcome the challenging problem of shortage of masks in their locality. A total of 5 male NSS Volunteers enthusiastically participated in the event, learned the process of making face masks, arranged for materials, initiated the work and successfully distributed masks to 10 households.

ONLINE YOGA SESSION ON ZOOM

Date: 5th October, 2020

Platform: Microsoft Teams Application

The NSS Unit of SIES College organized an Online Yoga Session by Dr. Kush Panchal. The NSS Volunteers were trained about various Yoga Postures and Asanas showcasing the benefits and advantages of each one. The main goal of the activity was to promote the idea of practising yoga "everyday" and not only on "Yoga Day" since the nature of yoga is to shine the light of awareness into the darkest corners of the body. The event had a grand total of 358+ beneficiaries along with 87 NSS Volunteers who participated in the event.

No. of teachers coordinating such activity: 1	No. of Volunteers: 46
Impact & No. of Beneficiaries: 1371	Any Award Won? – "Acer - Best Flagship Project" by Rotaract District 3141

Aim/Concept

- Khel Utsav being a legacy sports project conducted by the club has established a strong base for 4 years. This year, being the 5th season (Khel Utsav 5.0), along with covid restrictions being an add-on, it was an impossibility for the team to carry forward the legacy of this mega project and to maintain the standard set in the preceding years.
- The team of Khel Utsav 5.0 being innovative and promptly taking up tasks added new categories to the list: Samudaykiran - for the community kids, Dayakiran - for ragpicker kids, Ayojkiran - for OC team and Step set go which was a Virtual Marathon.
- The Aim of Khel Utsav is to provide a platform for each and every individual irrespective of their age group or social status and to enable them to enjoy the spirit of sport at its fullest.
- Khel Utsav 5.0 was conducted to form a sense of sportsmanship and to make the present generation realise the significance of a healthy life which can be attained through physical sports which encourage the body and mind irrespective of the category or age groups people belong to.
- The project emphasised focusing and come to highlight the unimpacted and unnoticed sections of the society through sports.

Groundwork (Pre-Project)

- Khel Utsav 5.0 The biggest sports festival across Mumbai is a mega flagship project of the Rotaract Club of SIES College, Sion(W); Supported by Rotary Club of Bombay Pier & Inner Wheel Club of Bombay Pier, which was a 19-days long project consisting of 10 different categories:

- *AASHAYEINKIRAN (A Sports Extravaganza for Especially Abled)*
 - *AASTHAKIRAN (A Sports Extravaganza for Senior Citizens)*
 - *UMEEDKIRAN (A Sports Extravaganza for Orphanage Kids)*
 - *NAVKIRAN (A Sports Extravaganza for School Children)*
 - *YUVAKIRAN (A Sports Extravaganza for 16-30 Years)*
 - *NIYOGKIRAN (A sports Extravaganza for Tribal kids of Kawthewadi)*
 - *SAMUDAAYKIRAN (A Sports Extravaganza for Community kids)*
 - *DAYAKIRAN (A Sports Extravaganza for Ragpickers kids)*
 - *AAYOJKIRAN (A Sports Extravaganza for the Organising committee)*
 - *STEP SET GO (A Virtual Marathon)*
- Being a flagship mega project, it required a lot of pre-planning and scheduling because enduring a sports extravaganza that includes more than twenty-five games & sports for 10 distinct categories of the community throughout the COVID 19 pandemic was not a permissive job.

Follow-up (Feedback)

KHEL UTSAV SEASON 5 - Play the Sport of your choice with an aim of:

1420+ Participants ,80+ Events, 19 Days10 Categories

- Khel Utsav is a one of the notable Mega-Project of the Rotaract Club of SIES College, Sion (W) which is even highly recognised over the district. The year 2020-21 is the fifth year that we're hosting this event.
- The 19 days' project was very beneficial for the reputation of the club in the institution. With the institution being impressed with the efforts of the organisation for the welfare of the 10 different categories was a boon to the reputation and flourishment of the organisation in the institution.
- We as a team surely learnt to make the best out of limited sources and learnt to be patient whilst COVID 19 was testing most of it. Through this project, we had also made bonds we could cherish long.
- Yuvakiran and Navkiran online was a way for us to raised funds by collecting registration fees. Huge participation helped us to raise funds and the same income was later utilised in covering the expenses for booking turfs, trophies and certifications etc.
- Executing the youth sports and school kids sports have been difficult and also risky but we made it possible by contributing our best efforts.
- According to the calculations made, we had a count of 1400+ participants
- Khel Utsav was a project that felicitated trophies, Medals, Winning Certificates and participants with gift vouchers.

- In total we had widespread participation from all over across the country majorly impacted through the categories like NAVKIRAN, YUVAKIRAN and Step set go. The participants of organizations, NGOs, Orphanages got a huge platform to showcase their sporting skills and also understood the importance of Sports activities in their daily life.
- Most of expenses of Khel Utsav 5.0 was covered with the help of the sponsors.
- The profit gained from this initiative of touching 1400+ lives, will be further put into other initiatives of touching more lives, hereby achieving the aim of Rotaract as an organisation.
- Lastly, this project winded up with a beautifully made aftermovie, which was released in a General Body Meeting wherein the president appreciated and acknowledged the efforts of the team and congratulated us for the success of the project
