(B.A. Three years Integrated Degree Programme)**

B.A. Programme Outcomes

SIES College offers three years integrated degree programme in Humanities-B.A. with specialization in various domains. Bachelor of Arts Under Graduate Programmes fulfill its institutional objectives in a learner-centric environment.

The Programme outcomes (POs) are skills and competencies that a learner is expected to attain on completion of the program. The POs are well aligned with the Institutional Vision and Mission.

It includes domain-dependent skills on subject knowledge and domain-independent global skills and competencies that prepare learners for progression to higher studies, groom them for employability and inculcate social responsibility. The teaching-learning methodology focuses on curriculum delivery and nurtures a well-integrated personality in its learners. The POs are framed to ensure that the learning levels and academic standards of B.A. programmes are synchronous with the higher education institutes in the country as well as in the world.
