**Notice to students regarding pending fees (2024-25)**

With reference to the attached list of students (Enclosed list of students with balance fees not paid), the concerned students are hereby informed, that, since even after repeated reminders, these students have failed to respond and pay the balance fees, therefore, the institution has decided the following course of action for these payment defaulters:

- a) Denial of entry inside the college premises, along with denial of access to college infrastructure and facilities inclusive of library, laboratory, gymkhana, canteen etc.
- b) With holding of the results, subsequent denial for admission to the higher class and denial to appearing for college exams in future.
- c) Non-issuance of Transference certificate / Bonafide certificate / Recommendation letter

Therefore, these students are required to pay the balance fees on or before 30<sup>th</sup> April 2025 without fail, otherwise the institution will have to take the above course of action with immediate effect.
