

Admission to MSc Part – I programme for Academic year 2026-27

MSc BIOTECHNOLOGY

The students applying for admission to the MSc Biotechnology programme in our college are hereby informed, that they will be enrolling for **two years Postgraduate programme**, having the pattern/scheme given under National Education Policy (NEP).

Eligibility: Students with BSc in Biotechnology are eligible to apply

Instructions and Details of Admission:

1. There will not be any Entrance Test for admission to M.Sc Programme in the subject of Biotechnology.
2. The selection of students for M.Sc Programme in the subject of Biotechnology will be based on merit decided on the basis of TYBSc marks.
3. The student should have passed TYBSc Semester 6 exam, and the student should not have any ATKT (Allowed to keep terms) during confirmation of admission to M.Sc programme.
4. The student should not have any pending ATKTs (Allowed to keep terms) from earlier Semesters (1, 2, 3, 4).
5. The student having academic gap (student who has done graduation/TYBSc earlier than academic year 2025-26) is required to submit a gap certificate/affidavit at the time of submission of application form.
6. Students should note that all admissions are strictly provisional until students comply with the eligibility criteria and verification of documents
7. The total number of seats available for M.Sc Programme in the subject of Biotechnology are 20 (twenty).
8. The student can contact the following faculty members for any further queries.

Dr. Subi Yoosuf (Head, Department of Biotechnology); Email: subiy@sies.edu.in

Ms. Anju James (Faculty , Department of Biotechnology); Email: anuj@sies.edu.in

SIES College of Arts, Science and Commerce (Empowered Autonomous)

MSc Biotechnology

ADMISSIONS OPEN - 2026-27

The Master's Program in Biotechnology at SIES College of Arts, Science and Commerce (Empowered Autonomous), Mumbai offers a dynamic blend of theoretical knowledge and hands-on laboratory experience. Designed to meet the demands of modern life sciences, the program equips students with advanced skills in molecular biology, bioprocess technology, tissue culture and applied biotechnology.

Why Choose Us?

- University of Mumbai Recognized PG teachers
- Highly qualified teachers with PhD and NET/SET
- Advanced instrument facilities
- Industry collaborations for research projects
- Student research publications in international journals
- Strong Alumni Network

Eligibility: BSc BioTechnology
