एसआईएस कॉलेज में विद्यार्थियों को पत्रकारिता और अनुवाद पर मार्गदर्शन

भास्कर संवाददाता | मुंबई

सेंट्रल बैंक ऑफ इंडिया की मुख्य प्रबंधक (राजभाषा) छाया पुराणिक ने एसआईएस कॉलेज के विद्यार्थियों को सरकारी संस्थानों में अनुवाद की स्थिति, अनुवाद के लिए आवश्यक कौशल, अनुवादक के महत्व और उसकी भूमिका पर विस्तार से समझाया। उन्होंने करियर कार्यशाला में बेहतर अनुवाद से जुड़े अनेक उदाहरण प्रस्तुत करते हुए अनुवाद के तकनीकी क्षेत्र के बारे में मार्गदर्शन

किया। खरिष्ट पत्रकार भुलेन्द्र त्यागी ने कहा कि भारत में अगले दो दशक में तेज बदलावों के दौरान सूचना तकनीकी, ज्ञान और रुचियों के क्षेत्र में बड़े परिवर्तन होंगे।

इससे रोजगार के नए अवसर पैदा होंगे और इन अवसरों में सबसे अधिक अवसर पत्रकारिता तथा अनुवाद के क्षेत्र में होंगे। इन अवसरों के लिए युवाओं को व्यावसायिक तौर पर तैयारी करनी होगी। अतिथियों का स्वागत डॉ. यनिता राणे और संचालन डॉ. दिनेश पाठक ने किया।

- A. Title of the Seminar/Workshop/Conferences:** Progress, not Perfection – The Hitchhiker guide to doing a PhD
- B. Background:** Research opportunities abroad. PhD programs often emphasize perfectionism, leading to unnecessary stress and delays. A shift in mindset from perfection to progress can significantly improve the PhD experience.
- C. Aims/Objectives:**
To challenge the notion of perfection as a prerequisite for PhD success.
To provide practical strategies for making consistent progress in research.
To foster a growth mindset and resilience among PhD students.
- D. Location:** Room No. 25, SIES College
- E. Target audience/participants with expected number:** UG & PG students
- F. Details of Sessions:** 16th September 2023 at 11 am
- G. Session and names of Resource Persons:** Shalini Roy Chowdhury, Doctoral Student, Life Science Munich, Ludwig Maximilian University, Germany
- H. Expected outcome:** Students will understand the negative impact of perfectionism on their PhD journey. Students will develop a clear action plan for making steady progress in their research. Students will feel empowered to embrace challenges and setbacks as opportunities for growth.

- A. Title of the Workshop/Activity:** Expert Talk: Academia to Industry – Fascinating World of Oenology and Related Career Prospects
- B. Background:** The Botany Department's Expert Talk Series - Academia to Industry serves as a vital platform facilitating the seamless transition of knowledge and skills between academic research and industrial applications. This initiative brings together esteemed speakers from academia and industry to share their insights, experiences, and expertise with students, researchers, and professionals. One such lecture within this series was titled "Fascinating World of Oenology and Related Career Prospects," which delved into the intriguing field of oenology and its diverse career opportunities. Through interactive sessions, and discussions like this, participants gain valuable insights into cutting-edge research, emerging trends, and career opportunities in botanical sciences and related industries. By fostering dialogue and collaboration, this series inspires the next generation of botanists to make meaningful contributions while bridging the gap between theory and practice, ultimately cultivating a culture of innovation, entrepreneurship, and professional development within the botany community.
- C. Aims/Objectives:** The aim of the lecture "Fascinating World of Oenology and Related Career Prospects" was to provide participants with a comprehensive understanding of the multifaceted field of wine science, known as oenology, while highlighting the diverse career opportunities available within the wine industry. By exploring the intricacies of grape cultivation, wine production techniques, sensory evaluation, and market trends, the lecture aimed to inspire students, researchers, and professionals to consider the vast array of career paths in viticulture, winemaking, wine marketing, distribution, and entrepreneurship. Through engaging presentations, case studies, and discussions led by our expert, participants gained valuable insights into the dynamic and rewarding world of oenology, empowering them to pursue fulfilling careers in this fascinating field.
- D. Location:** SIES ASCS (Autonomous)
- E. Target audience/participants with expected number:** F. Y. B. Sc. (39 students), S. Y. B. Sc. (20 students), T. Y. B. Sc. (9 students) and M. Sc. I and M. Sc. II Students (11 students)
- F. Date of the activity:** Friday, 25th August, 2023
- G. Name of Resource Persons:** Mr. Pranil Parab (Oenologist and Product Assistant at Mondo Brewing Company, United Kingdom)
- H. Outcome/Feedback:** The lecture was highly informative and engaging for the participants. Participants expressed appreciation for the comprehensive overview of wine science and the diverse career opportunities within the industry. 95% of the attendees agreed that the theme of the topic was relevant to their subject. Approximately 95% of the participants also felt that the concept was excellently elaborated by the speaker. Approximately 85% of the participants expressed their interest in the field of oenology

REPORT: National Mathematics Day Celebration

Event: Guest Lecture "Why Study Mathematics?"

23.12.2023

Department: Mathematics

Date: 22-12-2023

Title: Guest Lecture "Why Study Mathematics?"

Target audience: Students from all classes.

Number of Participants: 70 (M: 24; F: 46)

Objective:

- To make participants aware about contributions of legendary Indian Mathematician Srinivasa Ramanujan to Mathematics
- To educate students about importance of Mathematics in higher education
- To make them aware about career opportunities after graduation and post-graduation.

Methodology:

The event started with a very informative speech on the life and extraordinary contributions of Srinivasa Ramanujan to Mathematics by our second year student Ms. Keerthana Ajit. This was followed by an engaging quiz on Ramanujan. Winners of the quiz received exciting gifts.

Later, our guest Prof. J.V. Prajapat with the assistance of a powerpoint presentation conducted a lecture on "Why Study Mathematics?". She enlightened students about the use of Mathematics in various fields and also about the importance of acquiring Mathematical skills. She spoke on the various career avenues that are open after a graduation in Mathematics. The lecture ended with a question and answer session between the students and lecturer. E-certificates were provided to all attendees after the lecture.

Outcome:

70 students from BSc attended the lecture. Students actively participated in the quiz. The lecture was received with great appreciation. Students interacted with the guest and asked clarifying questions at the end of the lecture. Feedback received after the lecture was positive.

Outcome/Feedback: The event was acknowledged by student participants as well as the staff present and as a result enhanced and changed students' views towards perceiving Philosophy as a not only a subject but also as a wonderful artwork.

Funding if any: None

Report:

The Alumina talk session was held on July 15th, 2023 at 11:00 PM, in Room no 8 of SIES College of Arts, Science and Commerce (Autonomous). The session was organized by the Tattvam Association, Philosophy Department and featured four graduates who shared their views on the value of philosophy and its practical and ethical applications in life and work. The session aimed to explore the role and

relevance of philosophy in the contemporary world, and to inspire and motivate the students and faculty who attended. The session was moderated by Professors present and likewise facilitated the discussion alongside. The interactive session helped the students to develop their critical thinking and ethical reasoning skills, as well as to explore their academic interests and career goals.
