### Annual Examination Report for Academic year 2023-24

First Year under graduate under the New Education Programme (NEP):

1. The Mid semester examination was conducted at the Department level with some of them giving offline and many giving online mode of evaluation.
2. Continuous internal evaluation was adopted for VSC and SEC.
3. There was internal evaluation of 20 marks and semester end examination of 30 marks for AEC, VEC and IKS.
4. A student had to obtain minimum 20 marks out of 50 to pass in these 5 courses of 2 credits each.
5. OE of 4 credits had pattern 50:50 for internal and semester end and they were separate heads of passing.

Examinations of Second and Third Year of UG and MSc part 2 were as per the earlier rules. The results of Semester III, V and MSc Semester III were declared in second week of December 2023. The results of Semester IV, VI and MSc Semester IV were declared in May/June 2024.

Part I MSc under NEP:

The results of semesters under NEP got delayed as the software needed to be ready with new grades, patterns and large number of combinations.
