b) Faculty Receiving email regarding admissions with SOP

SIES College of Arts, Science and Commerce (Autonomous), Sion (West), Mumbai

Standard Operating Procedure to be followed by the faculty for accepting admission form from

Open Category Students on college premises:

1. Faculty is provided with a printed merit list having University Application form number and name of the student specific for the course (FYBA/FYBSc etc) for Open Category Students.
2. Faculty checks the University Form number and students name on the printed merit list and compares it with the University Application form given by the student (Note that University Application Form has the University logo in the left corner).
3. Faculty checks the name of the college on the University Application Form and the College code (183)
4. Faculty checks the HSC mark statement printout/photocopy (need not be attested)
5. Faculty encircles the University Form number on the printed merit list and puts his/her initials and date against the student's name.
6. After verification of the application form and HSC mark statement printout, the faculty endorses the University application form given by student by putting his/her initials and date on the application form.
7. Faculty gives the student the following two options for payment of fees as per the fee structure given in the table:-

Course	Fee Structure
FYBSc (General)	Rs. 5825/-
FYBA	Rs. 5225/-
FYBcom	Rs. 8765/-
FYBAMMC	Rs. 21313/-
FYBMS	Rs. 26353/-
FYBMS (Capital Markets)	Rs. 26353/-
FYBSc - Biotechnology	Rs. 29675/-
FYBSc- Information technology	Rs. 22831/-
FYBSc - Computer Science	Rs. 29675/-

Option A): The student can pay online by using the following details -

Saving: Account Name: SIES College of Arts, Science and Commerce
Bank Name: Bank of Baroda
Branch: Sion
Account No: 04160100011478
IFSC code: BARB0SIONXX (Fifth character is ZERO)
OR

Option B): The student can pay by **Demand Draft in favour of 'SIES College of Arts, Science and Commerce'.**

8. Once the student chooses the above options, then, the faculty gives the student a blank form of temporary fee receipt, this form of temporary fee receipt has two portions which the student is asked to fill with all the necessary details including transaction or demand draft details. Thereafter, the faculty gives to the student one portion of temporary fee receipt endorsed with college round stamp as an acknowledgement; note that the other portion of temporary fee receipt is retained by the faculty.
9. Finally, the faculty keeps the following documents accepted from the student:
 - a) **Temporary fee receipt portion retained by the faculty**
 - b) **Demand draft given by the student (in case of payment by demand draft)**
 - c) **University Application form of the student (required/mandatory)**
 - d) **HSC mark statement/printout (required/mandatory)**
 - e) **College online application form filled from junio portal is not mandatory – in case a student has a printout, attach it to the above, however, do not insist on the same, since, note that a student may have filled college online google form, therefore, we will rely on University Application form, HSC mark statement verification and College merit list for confirming eligibility of admission.**

Terms of Service

श्री. दि. क. गवई

Effective Date: Oct 23, 2018.

THIS IS AN AGREEMENT BETWEEN **SIES College of Arts, Science, and Commerce** (hereinafter "Customer" "You" or "Your") with its principal place of business at *Jain Society, Sion West, Mumbai 400022* AND **Techatlyst Infoserve Pvt Ltd** (hereinafter "Techatlyst") its principal place of business at *Unit # 106, 1st Floor, Multistoried Building, SEEPZ-SEZ, Andheri (E), Mumbai -- 400 096* GOVERNING USE OF **GRADED SUITE OF ONLINE BUSINESS SOFTWARE** (hereinafter "Graded").

Parts of this Agreement

This Agreement consists of the following terms and conditions (hereinafter the "General Terms") and terms and conditions, if any, specific to use of individual Services (hereinafter the "Service Specific Terms"). The General Terms and Service Specific Terms are collectively referred to as the "Terms". In the event of a conflict between the General Terms and Service Specific Terms, the Service Specific Terms shall prevail.

Description of Service

We provide an array of services for **online student information, admission processing, online examination, grade processing and institutional facilities management application focused on Education Industry** ("Service" or "Services"). You may use the Services for business use or for internal business purpose in the organization that you represent. You may connect to the Services using any Internet browser supported by the Services. You are responsible for obtaining access to the Internet and the equipment necessary to use the Services. You can create and edit content with your user account and if you choose to do so, you can publish and share such content.

Annual Subscription License

As part of your choosing annual subscription license, Techatylst grants you a fee-bearing, nonexclusive, non-transferable, world-wide license to Use the Licensed Software including user documentation, updates and upgrades to which you are entitled as well as any plug-ins provided to you during the period of your subscription, provided that such access and Use of the Licensed Software is in accordance with the Single Installation License granted by Techatylst. Under the Subscription License, the Licensed Software is licensed only for a subscription period of one year. You must renew your license at least 1 month before the expiry of the subscription period in order to continue using the Licensed Software. If you do not renew the license, you agree to stop using the Licensed Software after end of the subscription period and remove the Licensed Software from your systems (if installed). Your right to internally use the Software is limited to the aggregate number of Licenses based on Licensing Metrics & Fees (Exhibit A) Customer has paid the applicable license fees in full to Techatylst or its authorized sales agents.

License Restrictions

Customer acknowledges that all intellectual property rights in the Software are, and shall remain, the property of Techatylst or the relevant third-party owners (as the case may be) and that Customer shall have no rights in or to the Software other than the right to use it in accordance with the express terms of this License Agreement. Customer shall at all times comply with the following license restrictions in exercising the rights granted in Section above:

a. Customer shall not reverse engineer, decompile, disassemble, or otherwise reduce or seek to reduce the Software to a human readable (source code) form, except and only to the extent that such activity is expressly permitted by applicable law, and then only upon prior written notice to Techatylst. Customer shall not reproduce, copy, distribute, or transmit the Software.

b. Customer shall not rent, lease, or transfer the Software to any third party, nor use it to operate a rental, leasing, or service bureau business or any similar hosting or subscription arrangement. Customer may use the Software only for its internal business purposes.

c. Customer shall inform its employees and agents who use the Software of the terms and conditions governing such use, and shall be responsible for their compliance with the terms of this License Agreement.

Third Party Products:

The Licensed Software may contain software which originated with third party vendors and without limiting the general applicability of the other provisions of this Agreement, you agree that (a) the title to any third party software incorporated in the Licensed Software shall remain with the third party which supplied the same; and (b) you will not distribute any such third party software available with the Licensed Software, in any manner.

Ownership & Intellectual Property

Techatylst owns all right, title and interest in and to Graded, the Licensed Software. Techatylst expressly reserves all rights not granted to you herein, notwithstanding the right to discontinue or not to release any Licensed Software and to alter prices, features, specifications, capabilities, functions, licensing terms, release dates, general availability or characteristics of the Licensed Software. The Licensed Software is only licensed and not sold to you by Techatylst.

Changes in Service Terms

Techatylst may modify the Terms upon notice to you at any time through a service announcement or by sending email to your primary email address. If we make significant changes to the Terms that affect your rights, you will be provided with at least 30 days advance notice of the changes by email

to your primary email address. You may bring to Techatalyst's notice by email within 30 days of being notified of the availability of the modified Terms if the Terms are modified in a manner that substantially affects your rights in connection with use of the Services. Your continued use of the Service after the effective date of any change to the Terms will be deemed to be your agreement to the modified Terms.

Organization Accounts and Administrators

When you sign up for an account for your organization you may specify one or more administrators. The administrators will have the right to configure the Services based on your requirements and manage end users in your organization account. If your organization account is created and configured on your behalf by a third party, it is likely that such third party has assumed administrator role for your organization. Make sure that you enter into a suitable agreement with such third party specifying such party's roles and restrictions as an administrator of your organization account.

You are responsible for i) ensuring confidentiality of your organization account password, ii) appointing competent individuals as administrators for managing your organization account, and iii) ensuring that all activities that occur in connection with your organization account comply with this Agreement. You understand that Techatalyst is not responsible for account administration and internal management of the Services for you unless you purchase additional services from Techatalyst for the same.

You are responsible for taking necessary steps for ensuring that your organization does not lose control of the administrator accounts. You may specify a process to be followed for recovering control in the event of such loss of control of the administrator accounts by sending an email to tech_admin@graded.co.in, provided that the process is acceptable to Techatalyst. In the absence of any specified administrator account recovery process, Techatalyst may provide control of an administrator account to an individual providing proof satisfactory to Techatalyst demonstrating authorization to act on behalf of the organization. You agree not to hold Techatalyst liable for the consequences of any action taken by Techatalyst in good faith in this regard.

Personal Information and Privacy

Personal information you provide to Techatalyst through the Service is governed by Techatalyst Privacy Policy. Your election to use the Service indicates your acceptance of the terms of the Techatalyst Privacy Policy. You are responsible for maintaining confidentiality of your username, password and other sensitive information. You are responsible for all activities that occur in your user account and you agree to inform us immediately of any unauthorized use of your user account by email to tech_admin@graded.co.in or by calling us on any of the numbers listed on <https://www.graded.co.in/contact.html>. We are not responsible for any loss or damage to you or to any third party incurred as a result of any unauthorized access and/or use of your user account, or otherwise.

Communications from Techatalyst

The Service may include certain communications from Techatalyst, such as service announcements, administrative messages and newsletters. You understand that these communications shall be considered part of using the Services. As part of our policy to provide you total privacy, we also provide you the option of opting out from receiving newsletters from us. However, you will not be able to opt-out from receiving service announcements and administrative messages.

Fees and Payments

The Services are available under subscription plans of various durations. Payments for services can be made only by NEFT payment. Your subscription will be automatically renewed at the end of each subscription period unless you inform us that you do not wish to renew the subscription. At the time of automatic renewal, the subscription fee invoice will be sent to the registered address last used by you. In case you do not wish to renew the subscription, you must inform us at least one month prior to the renewal date.

From time to time, we may change the price of any Service or charge for use of Services that are currently available free of charge. Any increase in charges will not apply until the expiry of your then current billing cycle. You will not be charged for using any Service unless you have opted for a paid subscription plan.

Restrictions on Use

In addition to all other terms and conditions of this Agreement, you shall not: (i) transfer the Services or otherwise make it available to any third party; (ii) provide any service based on the Services without prior written permission; (iii) use the third party links to sites without agreeing to their website terms & conditions; (iv) post links to third party sites or use their logo, company name, etc. without their prior written permission; (v) publish any personal or confidential information belonging to any person or entity without obtaining consent from such person or entity; (vi) use the Services in any manner that could damage, disable, overburden, impair or harm any server, network, computer system, resource of Techatalyst / Graded; (vii) violate any applicable local, state, national or international law; and (viii) create a false identity to mislead any person as to the identity or origin of any communication.

Suspension and Termination

We may suspend your user account or temporarily disable access to whole or part of any Service in the event of any suspected illegal activity, extended periods of inactivity or requests by law enforcement or other government agencies. Objections to suspension or disabling of user accounts should be made to tech_admin@graded.co.in within thirty days of being notified about the suspension. We may terminate a suspended or disabled user account after thirty days. We will also terminate your user account on your request.

Termination:

This Agreement is effective until terminated by either party. Techatalyst may terminate this Agreement for any reason, including but not limited to your breach of any of the terms of this Agreement. All provisions relating to confidentiality, proprietary rights, non-disclosure, and limitation of liability shall survive the termination of this Agreement.

You have the right to terminate your user account if Techatalyst breaches its obligations under these Terms and in such event, you will NOT be entitled to any refund of any prepaid fees.

Termination of user account will include denial of access to all Services, deletion of information in your user account such as your email address and password and deletion of all data in your user account.

If you terminate the Agreement before the term of 3 years, Techatalyst will claim damages as agreed.

Trademark

Techatalyst, Graded, Graded logo, the names of individual Services and their logos are trademarks of Techatalyst. You agree not to display or use, in any manner, the Techatalyst/ Graded trademarks, without Techatalysts's prior permission.

Disclaimer of Warranties

6.2.3: The details of implementation of e-governance

The institution as part of its strategic development and deployment has implemented e-governance in a structured approach to integrate technology into administrative and academic processes through its Information Technology (IT) Policy.

Websitelink:

<https://siesascs.edu.in/admin/uploads/8b120ac7915f719c7cb40cd2fabcf1fdbIT%20Policy.pdf>

The IT Policy protects various aspects of technology use and ensures a secure, efficient and ethical IT environment in all the four areas of operation as mentioned below:

- a. Administration
- b. Finance and Accounts
- c. Students' Admission and Support
- d. Examination

Administration

The SIES Institution for digitization of records has hired the services of Genie Infotech Private Limited, Pune to form SIES Campus – Microsoft EduCloud & MS Components for 3 years contract period from 28th December 2023 to 27th December 2026. This has enabled to generate institutional IDs for the administration staff, teachers and students to effectively communicate and share information. Microsoft Apps with its unique features such as Outlook help HOI send official emails, notices, leave applications to people within the organization, and useful to communicate with other institutional bodies; MS Teams has hosts of tools to digitize student academic records, attendance, to manage administrative data, to organize meetings/webinars/workshops and academic activities in a hybrid mode and video recordings of significant events and activities are stored in digital formats and retrieve documents securely.

Finance and Accounts

For planning and strategy development Tally Prime Multi User is installed through an annual maintenance cover/annual support cover for centralized server multi location in the institution with SEERWEB ERP Solutions PVT. LTD., Navi Mumbai for a validity period from 1st April 2023 to 31st March 2024. The Tally ERP helps manage finance and accounting, fees payment, payroll with transparency, efficiency, and accessibility.

Students' Admission and Support

The SIES Campus – Microsoft EduCloud & MS Components of Genie Infotech Private Limited, Pune offers significant implementation of modules such as,

- **Student Management:** Online admissions, share tutorial materials and support for student use of digital systems and attendance records.
- **Academic Management:** Timetable scheduling, course allocation, and examination management.
- **LMS Communication Tools:** Portals for students, faculty, and parents; email and SMS alerts.
- **Library Automation:** Digital cataloguing, e-books, and online borrowing systems.

Examination

With the Examination Reform under Autonomy from 2018 onwards and continuing the same with the implementation of NEP 2020 to manage students' evaluation with formative and summative assessment methods. The institution has a tie-up with Techatalyst Infoserve Pvt. Ltd, Andheri East, Mumbai with its Governing USB of Graded Suite of Online Business Software called as 'GRADED' offers service by streamlining processes of online examination records, marks entry, result declaration, grade processing and marksheet generation.

The implementation of e-governance enhances efficiency, transparency, and the overall quality of education and administration in the institution.
