

Event: Brand and Media Awareness Seminar

Date: 16 September, 2019

Venue: Room No 2

SIES Skyline in association with Arena Animation held a seminar on Brand and Media Awareness. It was attended by 90+ students. The event covered the essentials about the rising potential of graphic designing and VFX as a career. The students participated in a live workshop where they learned how basic animation works. The event ended on a high note with a lucky draw where 3 students were awarded with free courses in animation. All the participants were given goodie bags by Arena Animation.
