International Webinar Report

Date : 23-12-2020

Title: Financing India

**International Webinar series by the Department of Mass Media in collaboration with
The Free Press Journal in association with Invest India.**

Objectives of the program:

1. To understand India's needs for investments
2. To discuss how to make India a great investment destination.
3. To study the sources of investments in India.

Programme schedule:

Methodology:

A series of webinar cum panel discussions were planned in eight sessions: focusing on seven countries every Thursday as a weekly series from November 2020 to December 2020 respectively.

The countries which participated in the series were (in alphabetical order) Canada, Germany, Israel, Japan, Netherlands, Qatar, and Sweden respectively. Each country was represented by their respective consul-generals or ambassadors.

1. Shri R.N. Bhaskar moderated the panel discussion and presented the current scenario on what prevents the foreign countries from investing in India in a webinar cum discussion format.
2. Shri R. N. Bhaskar held a lecture before the session to explain the dispute resolution mechanism.

The webinar-cum-panel discussion addressed issues such as worrying trade balance, lags in Human Development index, nurturing human capital, banking systems and exports favourably.

Outcome:

The feedback of participants reflects the following points:

The program helped them to understand, gain knowhow through-

1. The resource persons educated the participants on the state of investments by the aforesaid mentioned countries
2. The panellists also made the participants mindful of the policies, customs and politics that surrounded investments.
3. The webinar series was cherished as each panellist brought an understanding, experience, and analysis.
