Tree Appreciation Course

5th April 2023

NOTICE

The Department of Botany is organizing a Choice-based One extra Credit course on ‘**Tree Appreciation**’ from **1st May 2023 to 4th May 2023**. The course duration will be 15 to 20 hours, comprising of field visits, lecture sessions and assessment. The **course contents** are as follows:

- Field visit
- Introduction, Need, Scope and Objectives of Tree Appreciation programme
- Morphological features of Trees and their Ecological and Economic importance
- Trees at Rani Bagh and BPT Garden
- Trees at Sanjay Gandhi National Park
- Mangroves of Mumbai
- Local & Exotic plants of Mumbai, History of Mumbai with special reference to trees
- Tree Adoption, Conservation, Protection, Agencies Involved
- Trees at Mahim Nature Park and Trees near by SIES College surroundings
- Career Opportunities in Tree Conservation and Protection
- Assessment

The course will introduce the students to the fascinating world of plants and will also give them an opportunity to explore their potential. The course is free of cost and is open for first year students enrolled in 2022-23 across all faculties. The detailed course schedule will be provided later. Interested students may register for the course by contacting Dr. V. Vishnuprasad on or before 15th April 2023.

Tree Appreciation Course Report

The One Extra Credit Course on “Tree Appreciation” was conducted by the Botany Department from 1st May 2023 to 4th May 2023. The course duration was 20 hours and included one field visit to Rani Bagh, Byculla on the 1st May, 2023 and nine offline modules from 2nd May, 2023 to 4th May, 2023. These were followed by offline assessment of 40 marks consisting of MCQ type questions based on the modules and field visit conducted.

The course was free of cost and was open for first year students enrolled in 2022-23 across all faculties. The course contents were as follows:

- Field visit
- Introduction, Need, Scope and Objectives of Tree Appreciation programme
- Morphological features of Trees and their Ecological and Economic importance
- Trees at Rani Bagh and BPT Garden
- Trees at Sanjay Gandhi National Park
- Mangroves of Mumbai
- Local & Exotic plants of Mumbai, History of Mumbai with special reference to trees
- Tree Adoption, Conservation, Protection, Agencies Involved
- Trees at Mahim Nature Park and Trees near by SIES College surroundings
- Career Opportunities in Tree Conservation and Protection
- Assessment

The course introduced the students to the fascinating world of plants and gave them an opportunity to explore their potential through field visits and assignment submissions. There were 127 students enrolled for the course. Based on the overall performance of the students with respect to their attendance, participation, and assessment, 88 students were given one extra credit in their First Year Semester-II marksheet for the academic year 2022-23.
