RISE WITH EDUCATION

NAAC REACCREDITED - 'A' GRADE

Department of Botany

- A. Title of the Workshop/Activity:** Visit to BMC Flower show at Veermata Jijabai Bhosale Udyan, Byculla
- B. Background:** As a part of the curriculum, the T.Y.B.Sc. Botany Applied component (Horticulture) students were taken to the annual fruit and flower show at Veermata Jijabai Bhosale Udyan, Byculla to familiarize the students to common fruiting and flowering plants used in day-to-day life. This show is organized by the Brihanmumbai Mahanagar Palika annually to spread awareness about plants among the masses.
- C. Aims/Objectives:** The broad objective of conducting this visit was to expose the students to flowers, fruits and crop plants that are economically important to us. Another aim of this visit was to introduce students to different techniques in horticulture such as bonsai making, landscaping, flower arrangements, fruit/vegetable carving, etc.
- D. Location:** Veer Jijamata Bhosale Udyan (Rani Baug), Byculla, Mumbai
- E. Target audience/participants with expected number:** Students – 22; Faculty - 3
- F. Date of the activity:** 4th February, 2023
- G. Name of Resource Persons:** Faculty of Botany Department
- H. Outcome/Feedback:** The students were thrilled to see a variety of different plants used for ornamental purposes. They learnt various techniques of gardening, landscaping, and decorative techniques such as bonsai making, flower arrangements, etc. The students also observed several crop plants which made them understand more about our food sources. Many themes of environmental conservation were also evident among the landscapes which inspired the students to make their own contribution towards saving the environment.
