

Event: Chirpy Chidiya

Date: 11 & 12 December, 2019.

Venue: Foyer

Team Skyline had organised Chirpy Chidiya on December 11th (Traditional day) and December 12th (Formal day) of the year 2019. Chirpy Chidiya was an open-board of secrets and confessions. The basic idea was that students can write their messages anonymously on a sticky note and post it!! This secret board saw many hilarious, cute, risqué, friendly confessions, for the two days that it was set up. Overall, it was a safe platform for the students to hash out their confessions without being judged for it.
