

SIES College of Arts, Science and Commerce. Autonomous.

Sion West. Mumbai 40002

Department of Chemistry

Title of the Activity: CHEMORISIS – Let’s make the BOND Stronger

- **Date and Time:** Thursday, 2nd February 2023
- **Aims/Objectives:** To provide a platform and to build-up creative ideas of the students, staff and volunteers of the Department, an exhibition named ‘**Action ka Reaction**’ was held in the chemistry main laboratory.
- **Location:** Department of Chemistry
- **Target audience:** UG and PG students
- **Number of Participants:** 19

Outcome:

Event 1: CHEM-IN-GO (Bingo and Riddles on Periodic Table)

Chem-in-go was a bingo and riddle competition which was based on a Periodic table. It was an individual participant event. The event was held in room no. 22 of SIES College. A total of 19 participants were registered for the event, out of which 12 were scrutinized after the preliminary round. The winning participants of the event were: **1st Prize** – Mr. Sabasrish K (FYJC) and **2nd Prize** – Mr. Karan Pawar (FYJC).

Event 2: ACTION KA REACTION (Chemistry Experiment Exhibition)

To provide a platform and to build-up creative ideas of the students, staff and volunteers of the Department, an exhibition named ‘**Action ka Reaction**’ was held in the chemistry main laboratory. The exhibits included the Creative experiments on Column Chromatography, Golden Rain, Dying of cloth, Red dye test, Secret messages (based on chemistry of transition metal complexes) and a few colorful crystal decorated ornaments were also exhibited. Our Principal madam **Dr. Uma Shankar** also visited our exhibition. **Total 108 visitors visited the exhibition and gave their feedback.**

CHEMORISIS

Let's make the BOND Stronger

Date : Thursday, 2nd February 2023

Event: **CHEM - IN - GO**

Time : 10:30 am to 02:00 pm

Venue : Room no. 22, 3rd floor

EXHIBITION: ACTION ka REACTION

Time : 11:00pm to 2:00pm

Venue : Chemistry Main laboratory, 2nd floor

Closing Ceremony : 02:30pm to 03:00pm

CHEM-IN-GO

Bingo and riddles on Periodic table

Topic: Periodic table

Rules :

- It is an individual participant game.
- There will be two rounds, which are listed below

ROUND 1 : BINGO

1. Players should try to circle all 25 elements on their card (elements will be provided).
2. Player should ENCIRCLE the atomic number of the element said by the host.
3. The player would win points only if 5 atomic numbers in a row or column or diagonal order is completed.
4. The player who has completed it should pronounce the word 'BINGO' which indicates that they are qualified for Round 2.

ROUND 2 : RIDDLES

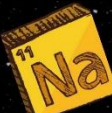

1. The participants would be given 90 seconds.
2. Each question carries 5 points.
3. For each hint used, 1 point would be deducted.

<https://forms.gle/N6boLBFLgzRiuPST8>

Registration fees: ₹30

(Refreshments will be provided)

GENERAL RULES & REGULATIONS

1. Pre-registration is compulsory.
2. Each participant must carry their respective college ID card.
3. Any type of scam or unfair means of transactions may lead to disqualification.
4. Kindly join the Whatsapp group for further updates after registration.
5. Use of mobile phones or any other electronic devices shall not be allowed during the competition.
6. Rules may be modified without prior notice by the organizers.

ACTION KA REACTION

*Predict the colour
and
understand the reaction*

Are you looking for some interesting shows related to chemistry?

Come and see the silver mirror which we'll perform in the laboratory.

Shiny silver strikes the clothes.

Come and get your white handkerchiefs coloured?

Colourful and crystallized ornaments would be displayed.

Have a special message for the day!

Have a good day
